

# MODULAR SYSTEMS

- ✓ MODULAR
- ✓ INDIVIDUAL
- ✓ EVERY LENGTH
- ✓ EVERY COLOR
- ✓ WATERPROOF IP65/67
- ✓ LEDs with 3,5 W

We adjust and combine according to your needs, wishes and design – easy and completely individual! Our unique and patented **modular concept with heating-, LED-lights- and cooling-systems**, offer **individual combinations** for every project: Together with awnings, conservatories, patio roofs, i. e. also for stadiums, exhibition halls, or just stand-alone on your balcony. Combine **single modules or standard sets to every desired color and length** – 10, 20, 30, 50 or 100 m, no problem! Choose from our standard **colors** pure white (9010), Black (9005) and anthracite (7016) or with a supplementary charge for an individual color of your choice. Mounting brackets are included. **Whether single modules or standard modular sets, order now!**
